DECISION

This decision is in response to applicants' renewed petition under 37 CFR 1.47(a) and other papers filed 17 November 2006.

BACKGROUND

On 21 September 2006, a decision dismissing applicants' petition under 37 CFR 1.47(a) was mailed. Applicants failed to satisfy item (4) of 37 CFR 1.47(a). Applicants were given two months to respond with extensions of time available.

On 17 November 2006, applicants filed a renewed petition which was accompanied by, *inter alia*, an executed declaration and a corrected information data sheet.

DISCUSSION

A petition under 37 CFR 1.47(a) requires: (1) the petition fee; (2) factual proof that the missing joint inventors cannot be located or refuse to cooperate; (3) a statement of the last known addresses of the nonsigning joint inventors; (4) and an oath or declaration executed by the signing joint inventors on their behalf and on behalf of the nonsigning joint inventors. Applicants failed to satisfy item (4) in the original petition.

In the renewed petition, the 37 CFR 1.47(a) applicants provided a corrected information data sheet with the correct spelling of the inventors' names as requested. Applicants also submitted a complete copy of the declaration as required. Item (4) of 37 CFR 1.47(a) is now satisfied.
